

CONTENTS

1. INTRODUCTION	15
1.1. Scope, Definitions and Guidelines	15
1.1.1 <i>Land policy and the scope of the study</i>	
1.1.2 <i>Outline</i>	
1.1.3 <i>'Rural', 'Urban' and 'Estate'?</i>	
1.1.4 <i>Sustainable development</i>	
1.1.5 <i>'Poverty'</i>	
1.1.6 <i>Sources of data</i>	
1.2. Geographical Setting	24
1.3. Availability and Utilisation of Land	27
Part I - GLIMPSES OF THE PAST	
2. PRE-MODERN AGRARIAN RELATIONS	33
2.1. Pre-Modern Traditions of Land Tenure	35
3. AGRARIAN TRANSFORMATIONS IN 'BRITISH CEYLON'	45
3.1. Modernisation Under Colonial Rule	45
3.2. Land Legislation	47
3.2.1 <i>Crown land encroachment ordinance</i>	
3.2.2 <i>Temple lands registration ordinance</i>	
3.2.3 <i>Waste lands ordinance</i>	
3.2.4 <i>Other land legislation</i>	
3.3. Agricultural Taxation	64
3.4. Commercialisation of the Peasant Economy	66
Part II - LAND POLICY AND AGRARIAN CHANGE	
4. EVOLUTION OF CONTEMPORARY LAND POLICY	77
4.1. Pre-Independence Roots	77
4.1.1 <i>Donoughmore period (1931-1947)</i>	
4.2. Agrarian Policy after Independence	81
4.2.1 <i>Persistent paradigms</i>	
4.2.2 <i>Periodic shifts of policy focus</i>	
4.2.3 <i>Rationalisations of policy in 'Peasant Agriculture'</i>	
5. POVERTY ALLEVIATION THROUGH LAND DISTRIBUTION	93
5.1. 'Village Expansion' and 'Highland Colonisation'	93
5.5.1 <i>A critique of the village expansion strategy</i>	

10 Land Policy for Sustainable Development

5.2.	Development of Peasant Settlements	99
5.2.1	<i>'Colonies' based on restored irrigation systems</i>	
5.2.2	<i>Integrated river basin development</i>	
5.2.3	<i>Mahaveli development programme</i>	
5.2.4.	<i>Demographic impact of dry zone settlement development</i>	
5.3.	Rehabilitation of 'Minor Irrigation Works'	109
5.4.	Poverty Alleviating Impact of Dry Zone Settlements	112
5.5.	Conclusions on the Land Distribution Strategy	123
6.	LAND REFORM EXPERIENCES OF SRI LANKA	125
6.1.	Regulation of Share Tenancy	126
6.1.1	<i>Nature of owner-tenant transactions</i>	
6.1.2	<i>Reformist perspective on share tenancy</i>	
6.1.3	<i>Evaluation of the tenancy reform</i>	
6.2.	Reforms in Land Ownership	131
6.2.1	<i>Statutory and administrative components</i>	
6.2.2	<i>Reform-impelled land distribution</i>	
6.2.3	<i>Communal and cooperative farming</i>	
6.2.4	<i>The 'Counter Reform'</i>	
6.3.	Reform-induced Changes - Plantation Industries	137
6.3.1	<i>General changes</i>	
6.3.2	<i>Smallholdings</i>	
6.4.	Reforms in Land Ownership: A Retrospect	144
Part III - CHALLENGES OF LAND POLICY		
7.	POVERTY IN SRI LANKA	149
7.1.	Income Poverty	149
7.1.1	<i>All-island trends up to the early 1980s</i>	
7.1.2	<i>All-island trends, mod-1980s onwards</i>	
7.2.	Unemployment and Underemployment	154
7.3.	Non-income Parameters of Poverty	157
7.3.1	<i>Curtailment of educational opportunities</i>	
7.3.2	<i>Health care, nutrition and poverty</i>	
7.3.3	<i>Deficiencies in housing</i>	
8.	LAND, AGRICULTURE AND RURAL POVERTY	171
8.1.	Profile of Rural poverty	171
8.2.	Paddy economy and peasant income	172
8.2.1	<i>Paddy cultivation in the drier areas of the island</i>	
8.2.2	<i>Priority accorded to paddy land (?)</i>	
8.3.	Home Garden Income: Constraints and Possibilities	180

8.4.	Dry Zone Peasantry and Chena Transformations	183
8.5.	Poverty in Plantation Agriculture	186
8.5.1	<i>'Estate' workers</i>	
8.5.2	<i>Smallholders of export crops</i>	
8.6	Land Policy and Employment for the Poor	188
8.6.1	<i>Unemployment and underemployment</i>	
8.6.2	<i>'Informal Sector' employment</i>	
8.6.3	<i>Labour wages</i>	
9.	LAND POLICY AND AGRICULTURAL PRODUCTIVITY	195
9.1.	Increasing Arable Land: Constraints and Possibilities	196
9.2.	Raising the Productivity of Paddy Land	199
9.2.1	<i>Paddy land: comparative productivity levels</i>	
9.2.2	<i>Low cropping intensity on asweddumised land</i>	
9.3.	Raising Productivity of Tea and Rubber Land	203
9.3.1	<i>Sri Lanka and other producers of tea and rubber</i>	
9.3.2	<i>Cost of production as dependent variable of yield</i>	
9.3.3	<i>Uncultivated 'estate' land</i>	
9.3.4	<i>Potential productivity of smallholdings</i>	
9.3.5	<i>Production potential of coconut land</i>	
9.5.	Cattle Rearing (Dairying): Prospects	214
10.	LAND POLICY AND ENVIRONMENTAL CONSERVATION	219
10.1.	General Concerns of Environmental Degradation	219
10.2.	Forests: Depletion and Degradation	220
10.3.	Diversities of Forest Ecology	224
10.4.	Forest as Citadels of Biodiversity	227
10.4.1	<i>A note on the Sinharaja nature reserve</i>	
10.5.	Forest Conservation & 'Living Space' for Man and Beast	233
10.6.	Ecological Functions of Forests	236
10.7.	Edaphic Degradation: Erosion, Siltation & Chemical Change	238
10.8.	Disruptions of Wetland Ecosystems	243
10.8.1	<i>Muthurājawela marsh - Negombo lagoon</i>	
10.8.2	<i>Kelani estuary - Colombo : utilisation & conservation</i>	
10.9.	Environmental Pollution	253
10.9.1	<i>Agronomic practices and rural environs</i>	
10.9.2	<i>Glyphosate as a pesticide (case study)</i>	
10.9.3	<i>Urban environs</i>	
10.10.	Concluding Observations	267

12	Land Policy for Sustainable Development	
11.	MALPRACTICES: LAND POLICY CONCERNS	271
11.1.	Land Grabbing: Sri Lanka Experiences	271
11.2.	'Encroachment'	275
11.3.	Alleged 'Land Grabbing' by the Security Force	279
11.4.	Alleged 'Land Grabbing' by Civilian Firms and Individuals	292
12.	LAND POLICY AND THE TERRITORY OF SRI LANKA	295
12.1.	Territory and Ethnicity	295
12.2.	Claim of an 'Exclusive Tamil Homeland'	301
12.3.	Encroachment of the 'Traditional Tamil Homeland'	309
12.4.	Constitutional Devolution of Powers over Land	321
 Part IV - RECOMMENDATIONS		
13.	TOWARDS REORIENTATIONS OF LAND POLICY	327
13.1.	Constitutional Provisions on Land	327
13.2.	Policy Contributions to Strengthening the 'Rule of Law'	329
13.3.	Public Needs and Individual Rights in Land	329
13.4.	Prioritisation of Land Needs	331
13.5.	Deficiencies of the Information Base	332
13.6.	Environmental Conservation	333
	13.6.1 <i>Protecting forests & simulating forest ecosystems</i>	
	13.6.2 <i>Conserving wildlife and protecting the peasantry</i>	
	13.6.3 <i>Protection of coastal ecosystems</i>	
13.7.	Environmental Pollution	335
	13.7.1 <i>Rural environs</i>	
	13.7.2 <i>Urban environs</i>	
13.8.	Paddy Land	337
13.9.	Land Under Export-Oriented Crops	339
	13.9.1 <i>Large units of production</i>	
	13.9.2 <i>Smallholdings</i>	
	13.9.3 <i>Increasing the extent of land under rubber</i>	
13.10.	Coconut Land	342
13.11.	Dairy Industry	342
13.12.	Dry Farming	343
13.13.	Direct Intervention in Poverty Alleviation	344
