Preface	01
Introduction	07

PART ONE

Industrial Relations and the Elements of An Industrial Relations System

Chapter 1	The Nature and Importance of Industrial Relations	25
	• Nature	25
	• The Environment	34
	• Objectives and Importance	35
Chapter 2	Elements of an Industrial Relations System	43
	• Introduction	43
	• The Role of the Law	44
	• Freedom of Association	45
	• Collective Bargaining	46
	• Tripartism and Labour Policy Formulation	48
	• Dispute Settlement	48
	• Labour Relations at the Enterprise Level	50

PART TWO

The Transformation of Industrial Relations

Chapter 3	Globalization and the Changing Face of Industrial Relations	55
	• Globalization	55
	• Employer Responses and Their Implications for Industrial Relations	57

	Page
• Union Responses	63
• Competitive Advantage and Industrial Relations: A Strategic Perspective of Industrial Relations	65
• Management and Industrial Relations	68
• Changes in the Business Environment	75
• Some Conclusions	82
 Chapter 4 The Movement from Collective to Enterprise Focused Labour Relations	 91
• Earlier Emphasis and Current Trends	91
• The Focus on Workplace Relations	103
• Labour Management Cooperation and Productivity	111
Ø introduction	111
Ø importance of labour management cooperation to productivity	111
Ø progressive HRM strategy	114
Ø rewards	115
• Introducing Workplace Cooperation Mechanisms	116
• Employee Participation and Involvement	117
• Communication	120
• Joint Consultation	127
• Other Communication Mechanisms	130
• Work Organization	132
• Human Resources Development	133
 Chapter 5 The Implications of the Changing Nature of Work and Employment for Labour Law, Industrial Relations and Human Resources Development	 138
• The Connection with Industrial Relations	138

	Page
• Globalization and Human Resources Development	139
• What Human Resources Development Involves	140
national level	141
- enterprise level	142
• Implications for Industrial Relations and Human Resource Management	147
• Transformation of the Fordist Model	147
• Changes in Labour Markets and their Implications	150
• Continuing Relevance of Industrial Relations	151

PART THREE

Industrial Relations and Human Resource Management

Chapter 6 Human Resource Management and Enterprise Competitiveness	157
• Introduction	157
• Management	158
• Reasons for Interest in HRM	161
• Approaches to HRM	164
• Interdependence of HRM Policies and Cultural Context	165
• Why Resort to HRM to Achieve Enterprise Competitiveness?	167
• HRM's Contribution to Enterprise Competitiveness	170
Ø HRM in achieving competitiveness	170

	Page
Ø role of HRM in specific areas relevant to enterprise competitiveness	176
Ø transforming culture	177
Ø flexibility	178
Ø numerical flexibility	
Ø job or functional flexibility	
Ø pay flexibility	
Ø working time flexibility	
Ø training and development	178
• Operationalizing Policies	179
• Impact of Competitiveness on HRM Practices	183
Ø introduction	183
Ø challenges faced by HRM/HRD and responses	183
Ø practices in high performing enterprises	187
• New Trends Marginalizing Employee Relations and HRM	190
• Conclusions	192
Ø country situations	192
Ø links between HRM and performance	193
Ø employee involvement	195
Ø synthesis	196
 Chapter 7 Harmonizing Industrial Relations and Human Resource Management	 198
• The Conflict Between Industrial Relations and Human Resource Management	198
• Reconciling the Conflict	203
• The Future of Human Resource Management	207
• References	209

PART FOUR

The Role of the Law and the State

Chapter 8	The Law and the State in Industrial Relations	217
	• The Role of the Law and the State	217
	• The Scope of and Limitations on Legal Intervention	219
	• Some Historical Perspectives	227
	• Future Directions	240
Chapter 9	Is Employment Governed by Status or Contract?	262

PART FIVE

Current Issues in Industrial Relations

Chapter 10	The Global Governance of Industrial Relations	301
	• The Context of Regulating Labour Markets Through International Initiatives	301
	• Trade Union, NGO and Government Agenda	311
	• Trade and Labour Rights	313
	• International Labour Standards	321
	Ø Introduction	321
	Ø International Labour Standards for Economic and Social Development	322
	Ø Impact of Labour Standards on Working Conditions	330
	• The ILO Declaration on Fundamental Principles and Rights at Work	336
	Ø The Principles of the ILO Declaration and their Background	336

	Page
Ø Key to Understanding the Declaration	338
Ø The Declaration and its Follow-up	
- promoting the principles	344
- the follow-up to the Declaration	346
• International Framework Agreements	347
• Other Methods of Global Regulation	352
Ø Production and Supply Chains	352
Ø Codes of Conduct, Social Labels and Corporate Social Responsibility	357
Ø Shareholder Proxy Process	359
Ø Extra-Territorial Legislation	360
• Positioning Labour Relations and Rights in the Context of Development	360
Ø Labour Rights and Relations	361
Ø Social Policies	366
• Convergence of Industrial Relations Systems and Problems of Global Governance of Industrial Relations	367
• Theory of Convergence	367
Ø Theory of Convergence	367
Ø Problems of Convergence	373
• Conclusions	388
• Appendix	399
 Chapter 11 Labour Market Flexibility	 410
• Meaning of Flexibility	410
• Reasons for Flexibility	412
• Forms of Flexibility	417
Ø introduction	417
Ø contractual flexibility	418
Ø functional flexibility	420
Ø flexibility and job protection : numerical flexibility	422

	Page
• Working time flexibility	426
• Conclusions	431
Ø issues of social justice	431
Ø balancing efficiency with equity and labour market flexibility	433
Chapter 12 Current Issues in the Employment Relationship	443
• The Context	443
Ø the changing workforce	443
Ø other general considerations	456
• Issues Relating to the Scope of the Employment Relationship	459
• Addressing the Issues at the International Level	475
• Addressing the Issues at the National level	484
Chapter 13 Pay Flexibility : Performance and Skill Based Pay	496
• Introduction	496
• Importance of Pay and Myths about Pay	498
• Objectives of Pay	500
• Pay Reform: The Move to Performance Pay	501
• Objectives of Performance-Related Pay and its Relationship to other Rewards and Strategies	508
• Problems and Issues	512
• Performance Criteria Choices	517
• Types of Schemes and Performance Pay	519
Ø types of schemes	519
Ø merit pay	520
Ø incentive payments	520
Ø group incentives and productivity gain sharing	521
Ø profit sharing	524
Ø long term incentives	525

	Page
Ø performance bonus	525
Ø flexible benefits	526
• What is Skill-Based Pay?	527
• Reasons for Skill-Based Pay	529
• Advantages of Skill-Based Pay	530
• Introducing the System	532
• Problems in Skill-Based Pay	533
• Factors for Success	534
• Appropriate Industries	535
• Conclusions and Guidelines	535
• Appendix A	540
• Bibliography	542
Chapter 14 The I.L.O and the Freedom of Association and Collective Bargaining	549
• Introduction	549
• Types of Standards	552
• The I.L.O Machinery	553
Ø committee of experts	553
Ø conference committee	554
Ø special supervisory machinery concerning freedom of association	554
• The Freedom of Association	555
• The Right to Bargain Collectively	559
Ø convention No. 98	559
Ø other conventions and recommendations	561
Ø resolutions	563
• Extent of Ratifications and Relationship to Other Standards	564
• Some Issues Relating to the Freedom of Association and Collective Bargaining	565
Ø individual and collective rights	565
Ø the right to strike	566

	Page
Ø types of restrictions on the freedom of association	569
Ø restrictions based on occupation	570
Ø the right to work and the closed shop	573
Ø collective bargaining and majority unions	575
Ø voluntary nature of collective bargaining	577
Ø human rights and trade union rights	577
• Appendix: List of Conventions, Recommendations and Resolutions on the Freedom of Association and Collective Bargaining	579
 Chapter 15 Collective Bargaining	 586
• Introduction	586
• Nature of Collective Bargaining	586
• Negotiation and Collective Bargaining	588
• Conditions for Successful Collective Bargaining	590
Ø pluralism and the freedom of association	590
Ø recognition of bargaining agent	591
Ø observance of agreements	591
Ø support of labour administration authorities	592
Ø good faith	592
Ø proper internal communication	593
• Advantages of Collective Bargaining	593
• Trends in Collective Bargaining	595
• Issues of Concern for Employers and Employees	605
Ø productivity and efficiency issues	605
Ø criteria for wage increases	607
Ø levels of bargaining	608
Ø recognition criteria	609

	Page
Ø extension of agreements	610
Ø disputes arising out of agreements	610
• Pre-negotiation Preparations	611
Ø objectives	611
Ø negotiating team	612
Ø research and study	612
Ø responding to union's requests	613
Ø inventing options	614
Ø strategy	614
• The Negotiations	615
Ø who commences	615
Ø reactions of parties	615
Ø internal communication	616
Ø notes of discussion	616
Ø styles of negotiation	616
Ø some basic rules in collective bargaining negotiations	617
• The Agreement	618
 Chapter 16 Tripartism, Social Dialogue and Economic and Social Development in a Market Economy	 622
• Tripartism and Social Dialogue: Meaning and Rationale	622
Ø meaning	622
Ø rationale	624
• The Market Economy	627
Ø types	627
Ø ownership and the rule of law	629
Ø freedom of trade and business	630
Ø management	630
Ø industrial relations	631
Ø other features	632
Ø government's role	632

	Page
• Subjects and Forms of Social Dialogue and Tripartism	634
Ø subjects	634
Ø forms	638
• Conditions for Effective Social Dialogue and Levels of Dialogue	642
• Bipartism and its Relationship to Tripartism	648
• Social Dialogue at the Enterprise Level	649
• Tripartism and the ILO	650
• Social Dialogue and Socio-Economic Development	653
• The Role of Non-Government Organizations	656

PART SIX

Employment Policy and Industrial Relations

Chapter 17 A Framework for an Employment Policy as acentral Element of Sustainable Development	665
• Introduction	665
• Link Between Sustainable Development and Employment	666
• Objectives of an Employment Policy	667
• The Process	668
• The Components and Content	669
Ø the macroeconomic environment	670
Ø the business environment	671
Ø productive public expenditure	673
Ø market supporting institutions	674
Ø labour market regulation	675
Ø developing comparative advantages and market access	675

	Page
Ø policies for special groups	677

PART SEVEN

Labour Management Relations Policy Formulation

Chapter 18 Labour Management Relations Policy	
Formulation and Economic and Social Data	681
• Introduction	681
• Objectives of a Labour Management Relations Policy	682
• Labour Management Relations Policy and International Labour Standards	684
• Macro Level Policy Linkages with other Organizations	690
• Required Data Inputs	692
Ø introduction	692
Ø general economic scenario	693
Ø employers and workers	694
Ø labour disputes and industrial action	694
Ø collective and other agreements	695
Ø conciliation, arbitration and labour court decisions	695
Ø skills needs and training	695
Ø productivity	696
Ø wage policy	697
Ø employment policy	697
• Sources for Data Collection	698
• Labour Management Relations Policy Formulation Mechanisms	699
Ø introduction	699
Ø industry level	700

	Page
○ national level	701
• Conclusions	702
• Appendix: Information to be Provided under ILO Recommendation No. 94.	703

PART EIGHT

Development of Asian Industrial Relations

Chapter 19 Circumstances Shaping Asian Industrial Relations	707
• Introduction	707
• Historical Context, Industrialization Policies and the Role of the State	708
○ main influences on Asian industrial relations systems	708
○ economic and industrialization policies and industrial relations outcomes	715
○ the role of the state	719
○ trade unions in Asia	724
○ culture and values	726
• Is there a Western and Eastern Approach to Industrial Relations?	728
○ difficulties in making the distinction	728
○ possible distinctions	730
○ importance of national diversity	735
○ relevant aspects of Asian culture and values	737

PART NINE

The Future

Chapter 20 What of the Future?	749
--------------------------------	-----
